Pinewood Derby Recognition

I would like to thank all of the volunteers for all their help. The folks who made this event possible were: Mr. and Mrs. Sutyak - Weigh-in, Mr. Matuska - Inspection, Mr. Azzarito and Mr. Kaesman - Pit Bosses, Mr. Nolan and Mr. Thompson – Master of Ceremonies. Last but not least, Nichole Sutyak, helped out in all areas throughout the weigh-in. It's nice to see the older brothers and sisters helping out and guiding our boys! This dedication is what makes our events so successful! I would also like to thank the parents for their patience and adaptability. We managed to battle a storm, postpone the weigh-in and inspection, and still have a successful event.

In addition, I would like to extend special thanks to Mr. Giuliani and Mr. Chapin. Mr. Chapin not only built the track a few years ago, but also helped us set up this year. Mr. Giuliani set time aside for me and explained the software program. He explained all of the configuration and setup parameters. Without his help, the event wouldn't have been so smooth. Mr. Giuliani still finds time to manage our website as well. Both of their boys crossed over to Boy Scouts last year. If you know Mr. Giuliani and Mr. Chapin personally, drop them a thank you.

Finally, thanks to Mrs. Boland for her tolerance and patience with me throughout this entire event.

Mr. Boland
